

# tab dividers

Tab Dividers organize information and serve as an important part of your communication package. Whether you are producing a FlexHinge Binder, Presentation Binder, Marketing Kit or Sales Box, we offer standard tabs, half-moon tabs, cut sheets and custom die-cut tabs to enhance and complete the look of your package.

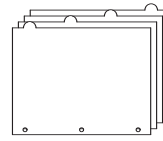

### tab divider features

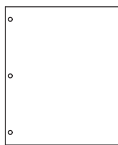

- Use with FlexHinge Binders, Presentation Binders or Sales Boxes.
- Simple and inexpensive mylar-reinforced card stock tabs.
- Tabs printed on extension only.
- Fully printed tab dividers, print on both sides of sheet.
- Finish on one or two sides with lamination, varnish, aqueous or UV coating.
- Half-moon tab extensions are standard.
- Drilled and collated.
- Custom designed tabs available.

**TAB 4**
