

# Square Back Binders

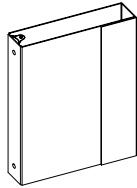

We make the strongest, most beautiful binders possible. Our unique construction technique creates a binder that will not fail at the hinge. Lab tested to 250,000 openings without showing any signs of wear and tear, our Corporate Image binders are proven to stand the test of time. We were voted Best Binder in the World in 2011 and Best Binder in North America in 2012, 2013 and 2015.
